English Language

2013- 2014

Objectives of Teaching English as a Foreign Language in the Primary Stage

The objectives of teaching English in the Primary Stage are intended to familiarize the pupils with the language (orally and in writing) in a stress-free and fun-loaded atmosphere to prepare them for more demanding tasks in the subsequent stages.

Below is the general statement of the performance objectives of teaching English as a foreign language in grades one, two, three, four, five & six in the Primary Stage in terms of language skills for convenience.

Aims

The aims in the early grades are:

- To assure that learning English is easy while developing a child's enthusiasm for, and the desire to learn a new language.
- To develop positive learning habits such as turn taking, organizational skills, and cooperative learning.
- To enlarge children's horizons so that they become familiar with different cultures while developing an understanding of their own.
- To experience language awareness in terms of how English works and differs from Arabic.
- To enable children to communicate simply but effectively through the development of oral proficiency in English.
- To lay solid foundations for the development of literacy skills in English.

Course Components

"Time for English" Years 1, 2 and 3 consists of the following:

- a Student's Books (First Term & Second Term)
